

Defective Concrete Blocks Community Facilitator

The Defective Concrete Blocks (DCB) Community Facilitator, is available to guide homeowners, in particular disadvantaged and/or vulnerable individuals and families through the application process for the DCB grant scheme and facilitate access to the relevant support services.

Outreach Clinics

Clinics are by appointment in Ballina, Ballycastle, Belmullet, Crossmolina, Castlebar, Foxford, Killala and Westport to meet with the public and provide one to one support. These clinics are free of charge and are completely confidential.

Seeking Accommodation and Storage Expressions of Interest

Seeking expressions of interest from anyone in North Mayo, Castlebar, Westport or surrounding areas, who may have storage units, rental property, holiday home or vacant property that is available to rent and who wish to have their facility or house included in a list of retained rentals for homeowners affected by Defective Concrete Blocks.
